- Fixed metal dock
- Waterproof connector
- RS232 interface
- 12-32 V DC power

The BKT1065-IP is a heavy-duty fixed metal dock for MDT1065 rugged tablets. It uses a waterproof connector and provides one RS232 interface together with VCC/IGN power input from 12 to 32 V DC.

It is intended for permanent installations in demanding environments such as mining, agriculture and other applications where a rugged and water-resistant mounting solution is required.

Compatible with: Topicon MDT1065, Topicon MDT1080
