- MDT665 power adapter
- Office and home charging
- Fixed workstation use
- Non-quick-charge adapter

The ADA-HOME-00 is a power adapter for the Topicon MDT665. It is suitable for charging the device in the office, at home or at fixed workstations.

The adapter is not designed as a quick-charge unit and therefore provides simple, everyday power supply for the MDT665.

A practical addition for users who want to charge the device outside the vehicle.
