- Waterproof extension cable
- For BKT865-IP/BKT1065-IP
- 6-pin waterproof connector
- 9-36 V, ignition, RS232

The BKT865-BAS-02 is the waterproof extension cable for the metal brackets BKT865-IP and BKT1065-IP. The 6-pin waterproof plug connects to the bracket, the other end has open wires for fixed installation.

Pin assignment: power 9 to 36 V, ignition, ground and RS232 (TXD/RXD). The cable is already included with the brackets BKT865-IP and BKT1065-IP and is offered here as a spare part.

Compatible with: Topicon MDT880, Topicon MDT865, Topicon MDT1065
